The Centers for Disease Control and Prevention/American Heart Association (CDC/AHA) Workshop on Markers of Inflammation and Cardiovascular Disease: Application to Clinical and Public Health Practice

Overview

Thomas A. Pearson, MD, PhD, Co-Chair; George A. Mensah, MD, Co-Chair; Yuling Hong, MD, PhD; Sidney C. Smith, Jr, MD

This paper represents a summary of a scientific conference sponsored by the American Heart Association. The opinions expressed in this paper are those of the authors and do not necessarily represent those of the editor or the American Heart Association. The publication of these proceedings was approved by the American Heart Association Science Advisory and Coordinating Committee on August 4, 2004. All writing group members were required to complete and submit shortly before the workshop a Faculty Disclosure Questionnaire. These disclosures are available as an online appendix at http://www.circulationaha.org (Circulation. 2004;110:e577–e578).

A single reprint is available by calling 800-242-8721 (US only) or by writing the American Heart Association, Public Information, 7272 Greenville Ave, Dallas, TX 75231-4596. Ask for reprint No. 71-0306. To purchase additional reprints: up to 999 copies, call 800-611-6083 (US only) or fax 413-665-2671; 1000 or more copies, call 410-528-4121, fax 410-528-4264, or e-mail kgray@lww.com. To make photocopies for personal or educational use, call the Copyright Clearance Center, 978-750-8400.

The reports of the Laboratory Science, the Clinical Practice, and the Population Science Discussion Groups and 3 background papers are available online at http://www.circulationaha.org (Circulation. 2004;110:e545–e549; e550–e553; e554–e559; e560–e567; e568–e571; and e572–e576).

provided financial and organizational support. The AHA, its Expert Panel on Population and Prevention Science, and its Councils on Atherosclerosis, Thrombosis, and Vascular Biology, Clinical Cardiology, and Epidemiology and Prevention coordinated the workshop. The writing groups, endorsed by the Science Advisory and Coordinating Committee of the AHA, included representation from the above-mentioned agencies and organizations, as well as the American Association for Clinical Chemistry and the American College of Cardiology. The workshop was also supported from unrestricted educational grants from industry sponsors (Bristol-Myers Squibb, Merck, Wyeth/Ayerst, and Kos Pharmaceuticals).
