Correction

In the 2005 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care section, “ECC Committee, ECC Subcommittees, and ECC Task Forces; and Authors of Final Evidence Evaluation Worksheets 2005 International Consensus on Cardiopulmonary Resuscitation and Emergency Cardiovascular Care With Treatment Recommendations Conference,” which published ahead of print on November 28, 2005, and appeared in the December 13, 2005, online issue of the journal (Circulation. 2005;112:b2–b5), 2 corrections are needed.

On page B2, in the first column under the heading “Additional Contributors,” “David Townes, MD, Special Resuscitation Situations” should be listed as an additional contributor.

On page B2, in the third column under the heading “Stroke Task Force (July 2004–June 2005),” Todd J. Crocco, MD, is listed as a cochair, which is incorrect. Edward C. Jauch, MD, should be listed as a cochair.
