In the article by Ogawa et al, “Prednisolone Inhibits Proliferation of Cultured Pulmonary Artery Smooth Muscle Cells of Patients With Idiopathic Pulmonary Arterial Hypertension,” which appeared in the September 20, 2005, issue of the journal (Circulation. 2005; 112:1806-1812), there was an error in the legend for Figure 2 on page 1809. The legend currently reads “Comparison of the anti-proliferative effects of PSL on SMCs of pulmonary arteries. . .” but should read “Comparison of PDGF-stimulated proliferation of SMCs of pulmonary arteries. . .”
