In the article by Elkayam et al, “Renal Vasodilatory Action of Dopamine in Patients With Heart Failure: Magnitude of Effect and Site of Action,” which appeared in the January 15, 2008, issue of the journal (Circulation. 2008;117;200–205), an error was made in the footnote to the Table.

RAP indicates mean right atrial pressure, not renal artery pressure.

The error has been corrected in the current online version of the article.

The authors regret this error.
