In the article by Schanzer et al, “Predictors of Abdominal Aortic Aneurysm Sac Enlargement After Endovascular Repair,” which was published in the June 21, 2011 issue of the journal (*Circulation*. 2011;123:2848–2855), the authors neglected to disclose a potential conflict of interest: Dr Greenberg receives research support from an intellectual property license and grant support from Cook Medical. The remaining authors have no conflicts to disclose.

The text has been corrected in the current online version of the manuscript. The authors regret the error.
