### On the Cover: Circulation Doodle

This month's doodle is in honor of Omisoka, a Japanese traditional celebration on the last day of the year. Traditionally, it was held on the final day of the 12th lunar month. With Japan's switch to using the Gregorian calendar at the beginning of the Meiji era, December 31 (New Year's Eve) is now used for the celebration.

For more information about the doodle, go to <http://circ.ahajournals.org/content/circulation-cover-doodle>.
