On the Cover: Circulation Doodle
This month’s doodle is in honor of Bastille Day, France’s National Day, la Fête nationale, which is celebrated on July 14th (le 14 juillet) each year. We would like to credit Kristine Ljones, PhD candidate, Department of Circulation and Medical Imaging, Faculty of Medicine and Health Sciences, Norwegian University of Science and Technology, for this doodle submission.

For more information about the doodle, go to http://circ.ahajournals.org/content/circulation-cover-doodle.
